About Alfa Institute of Education & Research (AIER Doda)

Established in the year 2003, **Alfa Institute of Education and Research (AIER)** has grown from a visionary educational initiative into one of the most prominent, respected, and socially impactful academic institutions in District Doda, Jammu and Kashmir. Situated amidst the scenic valleys of the Chenab region, AIER was founded with an enduring commitment: to bring contemporary, quality, English-medium education and market-relevant skill development within reach of every aspiring family in the region.

Over more than three decades of dedicated service, AIER has fostered a dynamic educational ecosystem that encompasses AIER Public School (offering structured education from Pre-Primary through Class 10th under the State Board framework) Serving an active community of over 1,800+ students guided by experienced, compassionate educators, AIER blends academic rigor with moral integrity, creative arts, and regional cultural preservation.

Dear Students, Parents, and Well-Wishers,

A school should be a place where children feel safe, respected, and genuinely excited to learn. When strong values meet good teaching, learning happens naturally.

A warm welcome to Alfa Institute of Education & Research (AIER). Having dedicated over three decades to the field of education here in District Doda, my belief has always been simple: every child has innate potential, and our responsibility as educators is to provide the encouragement, guidance, and solid foundation they need to grow with confidence.

Shri Surinder Katoch
Director-cum-Principal, AIER

At AIER, we follow the NCERT curriculum with a clear emphasis on conceptual understanding rather than rote memorization. We want students to understand what they study, ask questions freely, and develop a real interest in science, mathematics, languages, and the world around them. Our smart classrooms, science laboratories, academic library, and sports activities are all designed to support this well-rounded learning experience.

Equally important to us are honesty, good manners, and respect for others. Our teachers work closely with each student, recognizing that children learn at different speeds. Through regular parent-teacher interactions, extra support for students who need it, and a positive classroom atmosphere, we make sure no child feels left behind.

I thank all our parents for their continued trust and partnership. We look forward to working together as a community to guide our students toward a bright, meaningful, and grounded future.

Core Institutional Values

Integrity

Upholding honesty, ethical conduct, and mutual respect in all deeds.

Excellence

Pursuing highest standards in scholastic and co-scholastic endeavors.

Inclusivity

Embracing diversity and providing equal opportunities to all students.

Culture

Preserving our rich folk heritage, traditions, and communal harmony.

Academic Framework

AIER Public School follows a well-articulated, developmental curriculum that bridges foundational cognitive growth with rigorous secondary preparation. Our academic roadmap is aligned with the Jammu & Kashmir Board of School Education (JKBOSE) and integrates national NCERT pedagogical benchmarks and NEP 2020 foundational learning standards.

Primary Wing (Grades 1 – 5)

Middle School (Grades 6 – 8)

Secondary Wing (Grades 9 & 10)

Facilities & Campus Life

At AIER, education is a transformative journey powered by innovative pedagogical practices, modern facilities, instructional technology, and an exceptional team of passionate educators who serve as mentors, guides, and role models

Smart Classes

Interactive digital boards, audio-visual learning aids, and comfortable seating to make daily lessons engaging and clear.

NCERT Curriculum

Structured NCERT-aligned syllabus supplemented with practical demonstrations, mathematics exercises, and hands-on science activities.

Dedicated Teachers

Passionate, qualified educators who give individual attention to each student and conduct regular doubt-clearing sessions.

Science Laboratories

Well-equipped Physics, Chemistry, and Biology laboratories enabling regular practical experiments and experiential learning.

School Library

A comprehensive library and book bank with over 5,000+ reference books, textbooks, literature, and educational journals.

Physical Fitness

Dedicated play areas for cricket, volleyball, badminton, kho-kho, yoga, and annual athletic meets.

Admission Procedure

4-Step Admission Journey

1

Inquiry & School Prospectus

Fill out our simple online admission form or visit our school office in person to collect the prospectus and understand the curriculum

2

Friendly Interaction & Guidance

For Nursery and KG, a friendly and pleasant interaction to make the child comfortable. For primary and middle classes, a basic concept check in English and Maths so teachers can plan personalized support.

3

Document Verification & Seat Allotment

Verification of birth certificate, previous school marksheet, and Transfer Certificate (TC). Class section allotment is done smoothly and transparently.

4

Enrollment Confirmation & Welcome

Confirmation of admission upon fee deposit. Parents receive the student ID card, academic calendar, booklist, uniform guidelines, and orientation details.

Required Documents Checklist

4 Recent passport-size photographs of the student
2 Passport-size photographs of each parent / guardian
Original Transfer Certificate (TC) from previous school
Photocopy of Municipal / Panchayat Birth Certificate

Report Card / Marksheet of the last attended class
Photocopy of Student and Parent Aadhaar Cards
Student Medical Fitness Certificate by registered doctor

At AIER, education extends far beyond the four walls of the classroom. We take immense pride in fostering physical vitality, artistic expression, and leadership, while serving as a cultural custodian for the traditional arts and folk dances of the Chenab Valley

At Alfa Institute of Education and Research, Doda, we believe that education extends beyond the classroom. Our cultural activities provide students with opportunities to discover their talents, express their creativity, and develop confidence, teamwork, and leadership skills.

The institute regularly organizes a variety of cultural programmes and activities, including cultural festivals, debates, quiz competitions, essay writing, poetry, singing, dancing, drama, traditional and folk performances, and celebration of important national and cultural occasions.
